

Have you ever been somewhere where it was so dark you couldn't even see your hand in front of your face? No light shining under the door. No stars in the sky. No screen glaring back at you. Just darkness. So much darkness that you have to shuffle slowly, stumbling your way across the room with arms stretched out, hoping, searching . . . and then finally, with the flip of a switch, LIGHT! Light changes everything.

This month, we're talking about light, but not just any light. We're talking about Jesus—the light of the WORLD—and how when we do what Jesus says, we shine. We shine the light of Jesus! After this month, we hope every time you and your preschoolers see a lamp or a star-filled sky, you remember that people were made to shine, and we have Jesus—the light of the world—to show us how. So let's not hide our light. Let's SHINE and light up the dark so others can see their way to Jesus.

FRIENDS AROUND THE WORLD

Show Graphic: Friends Around the World- One Child

We have friends here in the room, friends in our schools, friends in our neighborhoods, but did you know that we have friends all over the world? Here at Flatirons, we do this really cool thing called Friends Around the World. Every month we learn more about our friends in different places so we can pray for them and give our money to help them with the things they need. Those are both ways to show we love them!

This month, we're learning about our friends at One Child. One Child asked if we could raise money to help the boys and girls buy school supplies and pay to put windows in their classroom. When you bring in money to give to our Friends Around the World, you're helping kids on the other side of the world be able to go to school and have school supplies.

If you brought money this week, bring it up now and put it in our Friends Around the World container. (Collect offering.)

Show Song: Friends Around the World- One Child

Thank you so much for taking care of our friends!

Show Graphic: Friends Around the World- One Child

Another way we can help our friends is by praying for them. Let's pray! Dear God, thank you for our friends around the world. Please take really good care of our friends at One Child. Help them have all they need. Amen!

INTRO

Show Series Graphic: Shine!

I'm so excited because all month long we're talking about how we can do what Jesus says! Today our story begins on a mountain with Jesus and His friends, the disciples. While they were on a mountain, Jesus gave them a very important job to do. Let's visit Ollie and our friends to find out what that important job is!

Bible Verse

(Open Bible.) Look, there is even a Bible verse to remind us!

Show Verse: "Let your light Shine." Matthew 5:16

Let's all stand up and say that with motions. Follow me.

**"Let your (point forward with both index fingers)
light (raise both hands and twinkle fingers)
shine" (twinkling fingers moving out)
Matthew 5:16 (Open hands like a book)**

(Practice verse a couple of times using whisper voices, silly voices, loud voices, slow, fast, then have kids sit back down, get quiet, fold hands, and close their eyes.)

Great job, everybody! Let's pray.

PRAYER

Dear God, we want to do what Jesus says and go and tell everyone, everywhere that Jesus is alive and He wants to be their friend forever. We love You, God. In Jesus' name. Amen.

BIG GROUP GAME

Jesus wants us to go and tell everyone that Jesus wants to be our friend forever. Let's play a game to practice! I have a flashlight. I'll tell you an action and when I turn on my flashlight you stand up and do that action and shout "Jesus wants to be your friend forever!" When I turn off my flashlight, sit down as quietly as you can. Let's try it!

When I turn on my flashlight **run in place and shout" Jesus want to be your friend forever" (turn on flashlight. Run in place and shout along with kids)**

Great job! (Turn off flashlight)

Repeat with different action: marching, tiptoe, jumping etc...

CIRCLE TIME

Great job! Now it's Circle Time! When you hear the music walk slowly to a circle and sit right down.
