

SG STRUCTURE 101

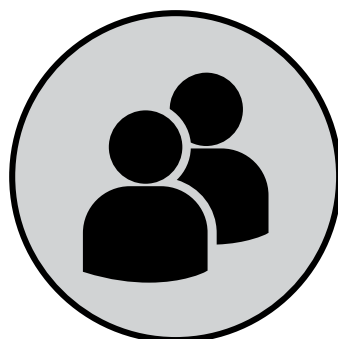

RESPECT SELF

We want to RESPECT OUR SELF. None of us are perfect, but we will try our best and choose to change our actions when it is needed.

RESPECT LEADERS

We want to RESPECT LEADERS. If a leader is talking, please give them your attention. This could be the SGL, the Large Group Host, the Video Teacher or Staff. Stay focused on that person when they are leading.

RESPECT OTHERS

We want to RESPECT EACH OTHER. Please don't be a distraction for others. We don't want anyone to miss out on what's going on. During LG, stay focused on the people on stage/video and don't distract people. (For younger kids, you may add that this means keeping hands/feet to themselves). More specifically, don't talk when someone else is talking.

RESPECT PROPERTY

We want to RESPECT PROPERTY. We want everything to stay nice for everyone. Don't destroy things or rip up papers. And when we are done for the day, we will clean up everything.
