

I'm made of wax, but I'm not a crayon.
I get shorter the more I'm used, but I'm not a pencil.
I light up a room, but I'm not a flashlight.
I'm often found on a birthday cake, but I'm not icing.
What am I?
(birthday candles)

I'm colorful, but I'm not a rainbow.
I'm hunted for, but I'm not an animal.
I sometimes contain chocolate, but I'm not an advent calendar.
I'm sometimes painted, but I'm not hung on a wall.
What am I?
(Easter eggs)

I sparkle and shine with lights so bright,
Ornaments hanging, a festive sight.
Topped with a star, I stand so tall,
In December's spotlight, I bring joy to all.
What am I?
(Christmas tree)

I bring two together, a promise to keep
An exchange of vows, love true and deep.
With rings on fingers, a union complete,
In joyous celebration, two hearts beat.
What am I?
(wedding)

The last bell rings, summer's near,
Books are closed, and friends are dear.
No more homework, the tests are through,
Guess what's coming? Hint: It's not school!
