DECEMBER 2024

## MONTHLY OVERVIEW

Show and Tell is always a favorite. Children have so much fun looking for the most special thing they can find to show their friends, and what each child shares helps teachers and friends get to know them a little bit better by seeing what is most valuable to them.

This month, we're taking a look at the ultimate Show and Tell. God showed the world how much He loves us by giving us Jesus. That is what we celebrate at Christmas, and that is what we will continue to show the world through our actions and tell with our words.

## FRIENDS AROUND THE WORLD

### Show Graphic: Friends Around the World – Uncharted

Here in Kids Ministry, we do this cool thing called Friends Around the World. Every month, we help one of our friends with a special project in their community. This month, we're partnering with our friends called Uncharted International!

Uncharted supports brave men and women in several places around the world who are building churches and teaching about Jesus! They help people learn about how awesome God is, and they usually work in communities where it's dangerous to follow God. This month, we're going to support them in their work! Check out this video!

### Show Video: Friends Around the World – Uncharted

If you brought in money for our friends this week, go ahead and bring it up now to put it in our offering container!

### Show Song: Friends Around the World – Uncharted

Thank you so much for taking care of our friends! Praying is a great way to show others we love them! Let's pray for our friends at Uncharted and I challenge you this week to take time to keep praying for our friends at Uncharted!

**“Dear God, thank you for our friends around the world. Please take extra good care of our friends at Uncharted this month as they tell others about Jesus. Amen!”**
