WEEK 1

We start the month in **John 3:16-17**, where John writes about the greatest love of all. God loved us so much, that God sent Jesus to take our place because of our sin. God took the initiative by making a move to restore our broken relationship, allowing us to one day live with God forever.

Bottom Line: God took care of our greatest need.

Love is a pretty powerful thing. God knew we could never fix sin on our own and needed a Savior, so God sent Jesus to rescue us out of love for us. God didn't just see a need but chose to do something about it, and when we put our trust in Jesus we can live with God forever.

WEEK 1

WELCOME 3 minutes

(Welcome kids)

Hi everyone! Welcome to Flatirons Kids! I'm so excited to see you here today!

Show Series Theme Graphic: Eye Spy

Welcome to an amazing day of mystery and discovery! We are here to uncover some clues so that we don't miss even one tiny detail. I don't know about you, but I love solving a mystery. Part of what makes a detective really good at solving cases is their attention to detail. They're able to look and see things that other people might miss... and that can help them figure out what really happened. All month we'll be talking about how we can SEE what needs to be done ... and then do it! That's how God created us to live.

INTRO 1 minute

Show Series Theme Graphic: Eye Spy

Today's story comes from the book of John. (Hold up Bible) John is one of the four books known as the Gospels, which tell stories from the life of Jesus. This book was written by a man named John. Since John was there with Jesus, he had an up-close look at everything that Jesus said and did. He traveled around with Jesus from place to place, so he got to see how Jesus taught and healed people and showed love everywhere He went. Let's check out our video to learn more!

APPLICATION 3 minutes

Show Series Theme Graphic: Eye Spy

There is no greater example of love than what God did for us by sending Jesus. God sent Jesus to make things right and fix what was broken, once and for all. Nicodemus found out about God's great love in an amazing way. We all need to be 'born again' by believing in Jesus, and then we have the promise of eternal life! Through Jesus, this incredible offer of life forever with God is open to everyone, everywhere, for all time. For every person, our greatest need is our sin problem.

Show Graphic: WK1_Bottom Line

Our **[Bottom Line]** this week is **"God took care of our greatest need."**

Say that with me! (Repeat with leaders and kids)

See, God's love for us is deeper than we can ever completely know or understand. God knew that our greatest need is to be restored to relationship. So, God made a way! God sent Jesus. And when we choose to believe in Jesus, we can live forever with God. We are made in God's image, and as we grow in relationship with Jesus, we begin to reflect more of Who God is to the world around us. Part of that is about showing initiative.

Show Graphic: WK1_Virtue

Initiative is our **[Virtue]** for the month. It is about **seeing what needs to be done and doing it.**

Loving others is a way that we can show our gratitude to God for seeing our greatest need and taking care of it. God loves and is always with us. We can trust God no matter what. And we can show God's love to others—not because someone told us to, but because we choose to take that step ourselves!

Listen to what Paul wrote in his letter to the Philippians. This is our Memory Verse for this month, Philippians 2:4.

Show Verse: Philippians 2:4 (NirV)

"None of you should look out just for your own good. Each of you should also look out for the good of others." Philippians 2:4 (NirV)

Let's say it together! (Repeat with leaders and kids)

Before you head out to groups, let's talk to God and thank God for sending Jesus to be our Savior. Let's pray.

PRAYER

Dear God, thank You for the amazing truth that Jesus showed Nicodemus when they talked that night. Thank You, God, for sending Jesus and making a way for us to be with You forever. As we go about each day of our lives, please help us to do what Jesus said: to love You and love other people. Show us how to look around, see what needs to be done, and then do something to help. We love You, and we pray these things in Jesus' name. Amen.
