

TIPS FOR BUILDING COMMUNITY

LIVE IT OUT: ICEBREAKER ADVENTURES

Get ready to kick off an amazing week at Kids Camp, where we'll discover how to Live It Out by loving and living just like Jesus! To get started, let's have some fun with these awesome icebreaker questions:

- If you could have a superpower that helps others, what would it be and why? (Think about how Jesus helped people!)
- What's one way you can show kindness to someone this summer?
- Imagine you're sharing a super yummy snack. Who would you share it with first and why? (Because sharing is caring!)
- What's your favorite thing to do that makes you feel joyful? (Jesus brought so much joy!)
- If you could give a gift to anyone in the world, what would it be and why?
- What's something you're really good at that you could use to help someone else?

TEAM UP + LIVE IT OUT

Now that we've gotten to know each other a bit, it's time to Live It Out as a team! Work together to build some amazing group spirit:

- Create a super cool team name that shows how you're going to live and love like Jesus! (Think "Joyful Givers," "Compassion Crew," etc.)
- Make up a powerful group cheer or song that celebrates loving others and living God's way!
- Design a team "Live It Out" symbol or hand sign that represents your commitment to living like Jesus.
- Choose a Bible verse together that inspires you to live out Jesus' love, and practice saying it together!

WOULD YOU RATHER: LIVE IT OUT EDITION

Let's play "Would You Rather" with a twist, focusing on how we can Live It Out and make choices that reflect Jesus' love.

- Would you rather spend an afternoon helping a friend with their chores or playing your favorite video game?
- Would you rather share your favorite toy with someone who doesn't have many, or get a brand new toy for yourself?
- Would you rather speak kind words to someone who is sad, or stay quiet and just observe?
