

## WEEK THREE – AUGUST 2025 – PRESCHOOL

**Bible Story:** *Sun, Moon + Stars | Genesis 1:14-19*

**Key Question:** *Who made everything?*

**Bottom Line:** *God made everything*

**Memory Verse:** *“God saw everything he had made. And it was very good.  
(Genesis 1:31, NIV)*

**Basic Truth:** *God made me*

**Series Overview:** This month, we are taking our preschoolers on an exciting journey to the moon and back as we teach them that God made everything. We want our preschoolers to know that this beautiful world they live in was created by our loving, creative, and powerful God. All God had to do was say it, and it was! Wow! So, what did God do after He made everything? “God saw everything he had made. And it was very good.” (Genesis 1:31 NIV) Then, God rested. And that is what we hope to do this month with our preschoolers. Look at everything God made. See that it is very good. And then rest in knowing that our God is powerful and creative and beautiful, and He loves us to the moon and back.

**OPENING ACTIVITY**

**What You Need:** N/A

**What You Do:**

- *BEFORE THE ACTIVITY*
  - Gather children in an open area of the room and spread out.
- *DURING THE ACTIVITY*
  - Encourage children to act and move their bodies like the sun, moon, and stars.
- *AFTER THE ACTIVITY*
  - Introduce the Bible Story.

**What You Say:**

- *BEFORE THE ACTIVITY*
  - “Friends, come sit on the floor with me, and make sure you’re not too close to your friends. We need some space to move around today!”
- *DURING THE ACTIVITY*
  - “I’m going to call out something we see in the sky, and then we can move and act like it. Okay, first, let’s be a star up in the sky! Stand up really tall and spread your feet out. Now, put your arms in the air, and then move your fingers around like you are a sparkling star. *(Pause.)* Great! Now let’s be a big, bright sun. *(Pause.)* Put your arms up over your head like a circle. The sun shines during the day—shine this way, and that way. *(Pause.)* Now let’s be the moon. The moon shines brightly at night. The moon is a circle, and sometimes that’s what it looks like to us—a great, big moon circle. Put your arms up over your head, and put your fingers together in a circle. *(Demonstrate.)* And sometimes the moon looks like a crescent. Put one hand above your

head, and put your fingers in the shape of a ‘c,’ like this.

*(Demonstrate.)* Great job! You were awesome at being the stars, sun, and moon!”

- *AFTER THE ACTIVITY*
  - “In our true story from the Bible, we’re going to learn about what God made on Day 4! I’m so excited! Let’s go!”

Ready? *(Pass the globe ball to the first child.)* ‘God saw everything.’ [Child’s name], say that with me. *(With child.)* ‘God saw everything.’ Now pass the ball to the friend next to you. *(Pause.)* ‘He had made.’ [Child’s name], say that with me. *(With child.)* ‘He had made.’ Now pass the ball to the friend next to you. *(Pause.)* ‘And it was very good.’ [Child’s name], say that with me. *(With child.)* ‘And it was very good.’ Now pass the ball to the friend next to you. *(Pause.)* ‘Genesis 1:31.’ [Child’s name], say that with me. *(With child.)* ‘Genesis 1:31.’ Hooray! Let’s keep going! *(Continue until each child gets a turn to hold the ball and say the verse.)* That was so fun! We worked together, passed the world, and said our verse so many times! Let’s clap for ourselves! Hooray!” *(Clap hands excitedly.)*
- **AFTER THE ACTIVITY**

We went to the sun, the moon, and the stars, and now we’re back! Everyone sit where you are.”
- *AFTER THE ACTIVITY*

- “In our Bible Story today, we learned that on Day 4, God made a light for the day and a light for the night. God made the sun to light up our days. The sun also keeps us warm and helps plants and trees and flowers grow. God made the moon to shine at night. God also put lots and lots of little lights up in the night sky called ‘stars.’ God is so creative! ***[Bottom Line]*** God made everything! Who made everything? ***[Bottom Line]*** God made everything!”
