ISAIAH 40:31

What does it mean to trust God?

Why do you think this verse compares us to eagles?

When do you feel weak? How can God's Spirit help you keep going?

But **those who hope in the Lord** will renew their strength.

They will soar on wings like eagles;

they will run and not grow weary,

they will walk and not be faint.

What kind of strength do you think is being talked about here?

Who is "they"?

Does this mean you will never get tired at track practice? What might God be promising here?

What part of this verse stands out to you the most? Why?
