- What to DO: When you shout "Stone Roll!", the kids have to spin around in circles like the stone rolling away. Video

### Transition from Worship:

- Today is a Happy Day! Does anyone know what day it is? [hold hand to ear and pause for kids to answer] Today is Easter! On Easter we celebrate something very happy and special that Jesus did for us.

### Pray:

- [ask if any kids want to volunteer to pray before the lesson, if no one volunteers, pray for them.]
- Have you ever \_\_\_\_?: Have you ever had a moment where you did something a little bit naughty, even though you knew you shouldn't have? [pause] And then, later on, did you get a heavy, wiggly feeling right in your tummy [pause] Sometimes that feeling makes it feel extra scary to tell our family what happened, or to say sorry, doesn't it?

### Throw it to Frank and Friends:

- Frank and his friends had that big heavy, wiggly feeling this week. Let's see how they dealt with it.

### Big Point: Jesus Saves Me

- Wow, that helps me feel better because I've definitely made some wrong choices just like Frank did. But we say sorry to Jesus, and ask him to save us from the wrong things we've done, He says YES! every single time. That is his promise for me and you.

### Verse and motions (show the Bible)

- Let's practice the bible verse together John 3:16 - "For God so loved the world that he gave his one and only Son..."
- [Say it together 2 times. Once in a normal voice and once in a silly voice]

### Set up Small Groups

- It's time for small groups! Today, tell your small group leader about a time you had the same heavy wiggly feeling that Frank did when he scribbled on the wall.
