

## PRESCHOOL WEEK 2- STARTER

### Activity Name: How Long Can You...?

What You Need:  None needed

### What You Say:

Hello friends! Come over here with me and spread out. We are going to play a game to see how long we can do some different motions.

Let's see how long we can stand on one foot. Ready and go! (demonstrate) Wow! [Child's name(s)], you stood on one foot the longest! Great job, everyone.

Now let's see how long we can jump up and down. (demonstrate) Wow! [Child's name(s)], you jumped up and down the longest. That was amazing!

Now let's see how long we can spin around. (demonstrate) Wow! Who's dizzy? Let's sit down. [Child's name(s)], you spun around the longest! That was fun!

(Continue with other movements as time and interest allow.)

Wow! Some of you were able to jump or spin for a long time! Today, in our Bible Story, we'll hear about someone who was sick for a very long time, 18 years! That's way longer than any of us can jump or spin! Let's go hear how Jesus cared for that person.

## PRESCHOOL WEEK 2- SMALL GROUP

### Activity Name: Healed Woman

**What You Need:**  Woman activity page and cutouts  brads  coloring supplies

### What You Say:

In our Bible Story, Jesus helped the woman stand up straight after 18 years of being sick. She could not stand up straight. But Jesus saw her, called her over, and said, 'You are now well.' He placed His hands on her, and she stood up straight for the first time in so many years. Jesus healed her by just touching her. Jesus healed the woman on the special Sabbath day because **[Bottom Line] Jesus cares about everyone on every single day of the week.** And Jesus loves and cares about us every day too!

Let's make some story art to take home today that will help us remember today's true story from the Bible. Let's color your picture of a woman from our Bible Story.

### What You Do:

- Give each kid an activity page and a cutout.
- Write each child's name on their paper.
- Encourage children to color the picture of the woman.
- For each child, help secure the two pieces together with the brad
- Demonstrate how the woman bends and stands straight.
