

**WEEKEND WORD:**

As we dive into our "Kingdom Quest" parables this month, remember that every time you welcome and care for a kid, you are planting tiny mustard seeds that God will grow into a massive, lifelong faith! You aren't just hosting a room; you are actively showing these kids the ultimate hidden treasure of how much Jesus loves them and wants them in His Kingdom. Thank you for your passion and for inviting our kids into the greatest story ever told!

PRO TIP:

- *Since we are diving into Jesus' parables this month, practice using your voice as a storytelling tool. If the room is getting wiggly, try dropping your voice to an exciting, intense whisper instead of just getting louder—it instantly makes kids lean in to hear what happens next!*

WEEK 1: LOWER ELEMENTARY (66 MIN. SERVICE)

WELCOME

(5:10pm // 9:10am // 11:10am)

PLAY: 2 Minute Countdown to dismiss from Small Groups to Large Group

As kids are coming in from small group, high five, walk around room, and welcome them!

WELCOME IN Flatirons Kids! I'm so glad YOU are here today.

While we wait for the rest of our small groups to come on in, I have a question for you to answer in your small groups...

Since you are moving up today and officially getting a big "upgrade," would you rather upgrade your summer by having a swimming pool filled entirely with Jell-O, or a bicycle that hovers in the air?

Talk about it with your small group and I'll ask a few of you to answer in just a second!

As kids are answering in their small groups, welcome in the rest of the groups coming in and give them the question! Walk around and find a few people to answer.

Show Series Graphic: KINGDOM QUEST

I am seeing a lot of you who want to swim in that giant pool of Jell-O! (Pretend to swim through thick, squishy Jell-O!) And some of you want to ride that hovering bicycle! (Pretend to pedal high up in the air!)

Getting an awesome, crazy upgrade like that would make for the best summer ever! Well, guess what? You are actually getting a huge upgrade today, too, because it is officially MOVE-UP WEEKEND!

You are in a brand new grade, we all are in a brand new room, and you are officially older! Give your neighbor a huge high-five and say, 'Happy Move-Up!' (Pause for high-fives).

Since you are in a new grade, we are kicking off the summer with a brand new adventure called Kingdom Quest! For the next few weeks, we are going to be like explorers. We are going to look at some amazing, crazy stories that Jesus told and search for hidden treasures to learn all about God's Kingdom! But hey, before we get into that, we're going to play a game, because Jesus is FUN, so Church is FUN...

GAME: ACT IT OUT

(5:15pm // 9:15am // 11:15am)

Game: Act It Out

Show ACT IT OUT Slide

Alright everyone, it is time for our game! Since we are kicking off our summer, we are going to play a hilarious game called Act It Out: Summer Edition!

But to play this game, I need two of our awesome leaders up here on the stage with me! Let's hear it for (Leader 1 Name) and (Leader 2 Name)! (Cheer as leaders come up and stand by the buzzer).

Here is how we play: We are going to split the room right down the middle! This side of the room, you are Team (Leader 1)! Make some noise! (Pause for cheers). And this side of the room, you are Team (Leader 2)! Let me hear you! (Pause for cheers).

HOW TO PLAY:

- The Secret Prompt: In a second, a secret summer activity is going to pop up on the screen behind our leaders. Leaders, you have to face your team—NO peeking at the screen!
- Act It Out: Kids, when I say 'GO!', your job is to act out whatever is on the screen as best as you can! BUT here is the catch... you have to be completely silent! No talking or making noises!
- Buzz In: Leaders, you are going to watch your team closely. As soon as you think you know what they are acting out, you have to run and SMASH this buzzer!

WORSHIP INTRO:

Guess what? The fun is not over yet! Now it is time for one of the absolute best parts of our weekend—it is time for Worship!

Since we are celebrating Move-Up Weekend and kicking off a brand new adventure, we are going to sing two of our absolute FAVORITE songs today: Alive and Goodbye Yesterday! INTRO

(5:31pm // 9:31am // 11:31am)

Like we talked about earlier, today is a massive day because we are officially kicking off our brand new summer series called Kingdom Quest!

For the next few weeks, we are going to look at some amazing stories that Jesus told called parables. Jesus loved telling stories because they help us discover amazing, hidden truths about what God's Kingdom is really like, and how we get to be a part of it!

Today, Jesus is going to tell a story about something incredibly tiny to teach us something incredibly HUGE. But before we find out what it is, let's find it in God's Word!

BIBLE NAVIGATION TIME FROM STAGE: (Hold up your Bible!) Today's story is found in the book of Matthew. Matthew is the very first book in the New Testament! (Open your Bible to the middle, then flip to the right to find the New Testament). If you brought your Bible with you today, go ahead and hold it up high so I can see it! (Acknowledge and hype up kids who brought their Bibles).

We are going to be looking in Chapter 13—that is the big number 1 and 3.

Alright, keep those Bibles open, put your explorer hats on, and get your listening ears ready. Let's find out what kind of tiny thing Jesus is talking about as we tune into a brand new episode of Story Lab! Let's check the screen!

Okay, how crazy was that? A seed so tiny you can barely even see it grows into a giant, massive tree!

Now, you might be sitting there thinking, 'That is a cool story about a plant, but what does that have to do with ME?'

Well, sometimes, you might feel a little bit like that tiny mustard seed. You might look around at all the grown-ups and think, 'I am just a kid! I am too small to do anything big or important for God.'

But Jesus told this story to teach us an amazing secret! God actually LOVES using small things to do massive things! When you do something that feels super small—like sharing your favorite snack, sitting with someone who is lonely at lunch, or just telling a friend that God loves them—God takes that tiny little choice and grows it into something HUGE!

You don't have to wait until you are older or bigger to be a part of what God is doing. Every single time you show love to someone, you are helping grow God's Kingdom right here, right now! Jesus told us these awesome stories so we wouldn't have to guess what God is like or how we fit into His plan.

And that brings us straight to our very first Bottom Line for this brand new series:

Show Graphic: WK1_Bottom Line

[BOTTOM LINE] Jesus Shows Us God's Kingdom

Say that with me! *(Repeat with leaders and kids)*

Since Jesus shows us exactly what God's Kingdom is like, we want to remember how to live that out every single day!

That is why we have a brand new Memory Verse for this month. Did you know this verse is actually a special prayer that Jesus taught His friends? He wanted them to know exactly how to talk to God, and now we get to learn it too!

Show Verse: Matthew 6:10

Let's look at the screen. It says: **'May your kingdom come. May what you want to happen be done on earth as it is done in heaven.'** – Matthew 6:10.

When we learn this verse, we are basically telling God, 'Hey! I want to help make things down here on earth look exactly like they do up in Your perfect Kingdom!' And remember, just like that tiny mustard seed, we can do that by making small, awesome choices to love people every single day.

Let's stand up, get our voices ready, and practice saying our brand new Memory Verse all together!

Show Verse: May your kingdom come. May what you want to happen be done on earth as it is done in heaven.' – Matthew 6:10.

Let's say that all together. *Repeat several times with kids and leaders.*

Before we head to our small groups to learn more about this, I'd love for someone to pray for us! Anyone want to be brave and pray for our group?
