

Game time is all about play, and preschoolers learn through play more than anything else. Games give preschoolers opportunities to make choices, try new things, and feel proud of their accomplishments. They want to feel capable and in control, but when they don't feel that way, we want them to know that they can turn to the One who is. So, our memory verse this month is **Proverbs 3:5: Trust in the Lord with all your heart.**

The same God who made everything and everyone we see loves His people more than anything, and God showed up for His people throughout the Bible in powerful ways. A bush that is on fire but doesn't burn up, the dry path in the middle of the Red Sea, the flour and oil that never runs out? These are incredible stories that display God's power and how He uses it for the good of His people.

We can trust God because nothing is too big for God, and we sum this up in our monthly bottom line like this: **God's got it.** We want preschoolers to know that our strength comes from God and that we can trust Him no matter what comes our way. So, let's pray for our preschoolers, that they will see both the power and love of God in these stories and that they will grow to trust that **God's got it.**

Weekly Summaries

Week	Bible Story	Summary
1	Moses and the Burning Bush	God calls out to a man named Moses from a burning bush. God tells Moses that He is going to rescue His people by sending Moses to Pharaoh. But Moses is filled with questions: "How can I go to Pharaoh? What if the Israelites won't listen to me? What if they don't believe that You sent me?" And God simply says: "I will be with you" (Exodus 3:12 NIV). God gives Moses miraculous signs to show that God is with Him. Moses throws his walking stick, and it becomes a snake. He puts his hand inside his coat, and his skin is suddenly diseased. Moses could see that God is awesome and powerful. Moses still had questions, but nothing is too hard for God. So, Moses trusted that God's got it.
2	Moses and the Sea	Moses is leading God's people out of Egypt, and God shows His people the way to go with a pillar of cloud by day and a pillar of fire by night. But one night, they see that Pharaoh and his army are chasing after them. They are camping at the edge of the water, and there is no way for them to escape. But God tells Moses what to do. Moses holds his walking stick over the water, and the wind starts to blow. God pushes the water back to make a way for His people to escape. God showed His people where to go because God's got it.
3	Elijah and the Widow*	The prophet Elijah shares God's message that there will be no more rain for a very long time, and God takes care of Elijah. He sends Elijah to a stream of water where he can drink, and He sends ravens with food for Elijah to eat every morning and night. But when the stream dries up, He sends Elijah to a city where he meets a woman. Elijah asks her for water and bread, but the woman cannot help him because she only has enough flour and oil for one last meal for her and her son. Elijah tells her that God says she will always have flour and oil until He sends more rain. And it happens exactly like God said it would. We can trust God no matter what happens because God's got it.
4	King Hezekiah Prays to God.	When Hezekiah learns that an army is coming to battle with God's people, he prays to God. God sends His prophet Isaiah to tell Hezekiah that God has heard his prayers and will save the city. When Hezekiah becomes sick, he prays to God again. He tells God that he trusts Him with his whole heart. Again, the prophet Isaiah brings God's message that God will make Hezekiah well again, and King Hezekiah praises God. No matter what we experience, we can trust God with all our heart and talk to Him about anything.
