- Make simple sounds such as:
 - Clap two times
 - Pat your knees
 - Snap or rub your fingers
 - Whisper, “Help me!”
 - Say, “Thank You, God!”
 - Pretend to cry
 - Make a quiet drinking sound
- After each sound, ask, “Did you hear that?”
- Let each child take a turn making a sound for the group to copy.
- Finish by whispering, **“God hears me,”** and invite the children to repeat it.
- Repeat the phrase in different ways—quietly, loudly, slowly, and while clapping each word.

What You Say:

You listened carefully and heard so many different sounds. Our true story from the Bible shows us that no matter what sound we make—if we’re crying or laughing or talking—God hears us. Let’s go hear today’s true story from the Bible!

Lead your group to the Large Group area.

WEEK 2 - SMALL GROUP

MEMORY VERSE: Open the Bible with action card inside. Say the verse and demonstrate the motions for the children.

Let's learn our brand-new Memory Verse. It goes like this: Trust (pretends to tug a rope) in the Lord (point up) with all your heart, (tap heart twice) Proverbs 3:5 (open hands like a book).

Activity Name: Moses Parts the Sea

What You Need: ☐ Bible with verse action card ☐ 'Moses sea' page ☐ craft sticks
☐ glue sticks ☐ fish stickers ☐ coloring supplies

What You Say:

Let's create some special story art. Our story today happened in a hot, sandy desert.

Look at our picture. I see Moses and God's people standing in front of the great, big sea. Use the crayons to fill in your picture. (Allow time for children to color.) Let's glue this popsicle stick in Moses' hand for his walking stick. (Pause.) God told Moses to hold his walking stick over the water, and when Moses did what God said, a strong wind started to blow. Whoosh! God pushed the water back with the wind and made a path on the ground. See, the water is not in the way anymore. Put your fish stickers in the water. God showed His people the way to go because God loved them so much.

What You Do:

- Give each kid an activity page, 1 craft stick, and 4-5 fish stickers.
- Make coloring supplies available.
- Instruct kids to glue the craft stick to Moses' hand.
- Encourage kids to color the page and add fish stickers to water.
- Review story and bottom line.
